

Exploration: Photography and videography 101

Photography Bingo

Practice your photography composition skills using the prompts below. Instead of a free space in the middle of the sheet, there is a bonus square. If you take/find a photo that uses more than two elements (e.g., a photo with rule of thirds and leading lines), you get the bonus square!

Decisive moment	Textures	Vertical or horizontal lines	Foreground element	Bird's eye view
Rule of thirds	Symmetry or centered	Close-up	Rule of odds	Worm's eye view
Leading lines	Patterns	BONUS!	Negative space	Balanced
Golden ratio	Rule of space	Fill the frame	Point of interest	Black and white
Framing	Shapes	Diagonal lines	Curved lines	Colour and tone
