

Exploration: Photography and videography 101

Video vignette worksheet

Title of video vignette:		
What is the story about?		
Examples of shots used in the video vignette		
Establishing shot(s): How do they set the scene or set up the story?	Medium shot(s): What purpose do they serve in telling the story?	Close-up shot(s): How do they support the story?
What kind of camera angles (viewpoints) were used? Why do you think these angles were used?		
Is there camera movement? If so, how does this affect the story?		
How is audio used in the story (e.g., music, ambient/background sounds, voiceovers)?		
What do you take away from this story?
